Hi Hal,

Remember
this is the organ of
the American Trial
Lawyers Association. —
Thought you might want
it.

Best,

Harv

Just got your mail. —

Do not — repeat — not send your copy of Underwear. If you have no objections, fine, but, don't send yours.

— You mentioned you wanted to show it to someone; whether here or in L.A., or in N.O., I don't know.
